 - ii. $\frac{3}{4}$ soccer: Tarrah and Morgan will check the inventory following the meeting and order more IF they are needed. After checking the inventory we have enough uniform shirts for $\frac{3}{4}$ for this year.
 - iii. Skills and drills: Tarrah will order 30 skills and drills shirts for the players this year. If we have extra we will use them next year and order additional amounts then.
 - b. Equipment: We may need a couple more portable benches. We'll check in on this at the September meeting.
 - c. Nets and Goals: Morgan submitted the request for new nets and goals to be purchased through the funds from the Eden Recreational field funds from the town. They are currently researching the funds as well other avenues to help purchase the much needed goals and nets. We will call a special meeting if not approved to discuss purchasing them nets and goals.
 - d. Tournament: The possibility of hosting a tournament is on hold until we hear the decision about the nets and goals for this season.
 - e. Finalize Teams: We are going to have 2 skills and drills teams; pre-k (age 4)-Kindergarten and a $\frac{1}{2}$ team. We will also have a coed $\frac{3}{4}$ team and a coed $\frac{5}{8}$ team. We currently have 13 $\frac{3}{4}$ athletes signed up and 10 $\frac{5}{8}$ athletes signed up.
