April 20, 2021 Selectboard Special Meeting

The Eden Selectboard met at Lake Eden Rec. Area on April 20, 2021 for a special meeting. Present: Ricky Morin, Clayton Whittemore, Virginia Parker, Freeda Powers.

1. The Board met at LERA to measure and mark out the camper site lots. Clayton has offered his personal time off-hours to dig holes for markers to be installed. Ricky offered to assist. During the site visit, the Board noted two areas where repairs will be needed: The post at spigots for sites 7&8 is damaged from the base, site 6 needs a replaced cover to the flush basin, and the utility panel cover was not secured. Freeda will contact Matt Grant to address the utility panel. Ricky will replace the flush basin cover at Site 6 and will repair spigot post for sites 7&8. Graffiti on the Greeter Shed was also noted; Freeda will notify Art Curcillo, Lake Eden Association president, to have it cleaned up.

2. The Board reconvened at the Town Offices to resume discussion of the FY22 budget. Candace Vear joined the Board for this portion of the meeting. As part of the ongoing future planning for the continued functioning of the town government, the Board is allowing for additional funds towards training in the Town Office. Based on input from the Town Clerk & Treasurer and Assistant Clerk & Treasurer regarding the time needed for training and onboarding, the Board calculated costs for 5 months, allowing for a trial period of 90 days as was done with the Town Administrative Assistant position in 2020. The Board will review the FY22 budget again at their 4/27 meeting for finalization prior to printing of the Town Report in early May.

Adjourn Ricky made a motion to adjourn. Virginia seconded the motion. The meeting adjourned at 8:07pm.
