

EDEN HISTORICAL SOCIETY, INC.

As everyone knows, it has been a very hard year. The COVID-19 pandemic has challenged life as we knew it. It has also affected the Eden Historical Society.

We were unable to complete the annual calendar this year. Many businesses are struggling and we completely understand. We have decided not to do the calendar this year due to lack of many of our business ads. Hopefully we can start again in August with the 2022 calendar.

We currently have a fundraiser happening now, it's an online raffle. The lucky winner will receive a gun!

We are nearly sold out of the books "A Walk Through the Garden of Eden", a history book. We have had thoughts of putting together a cookbook, or even a picture book, but it is only in the talking stages.

A huge thank you goes out to all who have helped us at any point throughout the year!
