Selectboard Special Meeting 04/25/2023

5pm

At the Lake Eden Recreation Area

Present at the meeting were Tim Bullard,  
Ricky Morin, Clayton Whittemore, Tracey  
Morin, Melissa Whitcomb, Craig Rounds,  
Peter Danforth, Jordan Duffy, Jason Tuthill,  
Kaitlin Alford, Meg Carter

At 5pm, the Selectboard met with Peter Danforth from the Lamoille County Conservation District, Jordan Duffy, Kaitlin Alford and Meg Carter from The Northwoods Stewardship Center to discuss plans for excavating and landscaping needs. Jason Tuthill was also present to gather info and give a quote for building a new and more accessible kayak rack. The plan is to build two separate racks with a split for a walkway in between. The drainage will be rebuilt in that area, a walkway will be put between the parking area and racks, Kaitlin and Meg will handle the landscaping when the rest of the work is complete. Craig emphasized the need to keep a particular path open that has made accessibility to the beach much easier for people with limited mobility. The plan has been structured around that need.

Ricky will start work first on the excavation beginning the 3<sup>rd</sup> week of May, Jason will then build the racks. Kaitlin and Meg will finish with the landscaping. The entire project will be paid for with G1 Holdings money through Lamoille County Conservation District and hopefully will be complete before the Rec Area opens for the season.

Also discussed was placement of the Memorial Bench in honor of Candace Vear. Craig will work on setting that up once the best location is determined. Clayton and Craig plan on getting the flagpole fixed hopefully next week sometime.
