**Selectboard Special Meeting Minutes**  
**May 13, 2025**

**Meeting was held at 5pm at the Boy Scout Camp Road Bridge**  
Present were Tim Bullard, Clayton Whittemore, Ricky Morin, Molly Morin

Tim opened the meeting at 5:14pm at the Boy Scout Camp Road Bridge. Tyler Billingsley and Kirk Fenoff & Son Excavating were unable to make the meeting tonight. Ricky brought up his concerns as the river has washed out the river banks where they had placed the temporary bridge. Ricky talked with Chris Brunelle who feels the river bank should be armored to prevent any further wash out happening. The board feels that it should be fixed by Kirk Fenoff & Son Excavating as they were the ones doing the work. We will be reaching out to them to touch base on when they can come back up to talk with Ricky.

The board stopped at the beach to check out the new fencing that was placed this week. They noticed that one set of fencing was not put in. We will be reaching out to the person who put the fence up to see if we can get him to come back in and put the last set in. They did ask the beach managers to move the firepits to back behind the fencing.

Did stop and look at a couple driveways on the way back. They would like a letter to be sent out to the property owners for corrections. They did approve one driveway which the property owners will be notified.
