### SELECTBOARD MINUTES

**August 26, 2025 @6pm**

Present at the meeting Tim Bullard, Clayton Whittemore, Ricky Morin, Melissa Whitcomb, Molly Morin, Alec Jones, Conrad Becker, Johnna Uhlendorff, Kristina Brown, Dan Lathrop, Perry Thomas, Sydney Rochette, Penni Lanphear-Rochette, Peter Danforth, Art Curcillo, John Cannon

1. Tim opened the meeting at 6pm.
2. Additions and Deletions to the Agenda: None
3. Citizens Input: None
4. Perry Thomas and members from Lake Eden Association came in to discuss a workshop they have planned for Friday, August 29th. They would like to plant some shade trees along the brook at Lake Eden Recreation to help with shoreline restoration. Ricky will meet Peter up at the Recreation area on Thursday to go over where and how many trees can be planted.
5. Planning Commission: Alec and Conrad came to discuss the final chapters of the town plan. Some concerns were brought up about wording and some information needed to be updated. Alec will make those changes and get it back to the selectboard for review.
6. Beach Update: With school starting back up things are starting to slow down. They do have a couple of events coming up for end of summer fun. They did pull in the swim ropes but will put those back out once the 24 hours are up for the herbicide treatment.
7. Animal Control Update: None
8. Health Officer Update: None
9. Signed four (4) orders.
10. Minutes: Review minutes of 7/22/25 (2). Clayton motioned to approve both set of minutes as written. Ricky seconded. Motion approved.
11. Highway Dept. Update:
  - a. Approve driveway permits: Two driveway permits were approved at the last meeting but needed to be signed for final approval.
  - b. Other: The road side mowing has been completed. They have been working on replacing some culverts on Blakeville road which is almost done. They finished putting the under drainage on Cooper Hill. The 2012 Freightliner is back down to Charlebois for the same issue as previously repaired. The survey markers for Camp Road have been taped and are ready to be cut. Matt emailed believing it will either be the first or second week of September for installation. The town highway pickup side-swiped a deer which caused some damage to the truck. Ricky will check with a couple different shops about pricing but will line up getting it fixed. Ricky did bring up an issue about somebody taking gravel out of the road. The selectboard asked for a letter to be sent to the land owner asking them to stop removing gravel from the roadway.
12. Ratify Additions and Deletions: None
13. Grant Update/Discussion: Molly wanted to verify what they would be willing to match for the playground grant we are working to apply for. Will finish applying for the playground grant now. Ricky will be starting the Griggs Road grant work soon as well to get that finished before the deadline.
14. Office Addition: We did get the estimate for the foundation from SD Ireland but still have not heard from the others on price or if they could do it. Also got a pricing on a couple different vault doors for the addition vault. The selectboard will continue looking at how they can cut cost to make the addition happen.
15. Other
  - a. Computers: Tim came in to look at the computers we have to figure out if we need to upgrade or not. The two main computers will need to be updated to a new

set of computers to keep up with the technology. Will reach out to the tech company about getting a price to upgrade the computers.

16. FYI: None

17. Adjourn: Ricky motioned to adjourn at 8:31pm. Clayton seconded the motion, adjourned.
