4. Public Hearing on Eden Town Plan 2025-2033: Tim opened the public hearing at 6:10pm. Some changes were brought up to the Selectboard that should be made before they accept the Town Plan. He received an email from Branch out Burlington which is a non- profit out of Burlington with an opportunity for the town to get three free trees to be planted in the town where they can be shared with the community. The Selectboard will think of some places for the trees to be planted for this Spring. Alexander was able to get one of each of the following Red Maple, Basswood, Swamp Oak.

Skipped down to 10 a. and 10 b. to accommodate Norm Patenaude from Pike who was here for the BIDS on North Road. Three BIDS were received: Gray's Paving, All State Construction, and Pike. All three BIDS were opened in the meeting and compared to each other. Tim motioned to accept the BID from Pike. Clayton seconded. Motion approved. Pike was selected due to the price and previous work they have done with the town.

Eustis called earlier this week asking if we would like the check or they should be paying Pike directly, to fix the pavement on Knowles Flat Road. The Selectboard would like Eustis to work directly with Pike for payment. Norm will keep us in the loop if he does not hear from them.

Ricky brought up the issues on Camp Road that are continuing. Melissa had asked the Selectboard questions about what they would like in the second letter that will be sent from the attorney. A video was shown to the Selectboard so they could see what was happening.
