

## Eden Youth Sports Committee Meeting 1/12/26 @5pm

In attendance: Daniel Lathrop, Trevor Bidwell, Abel Griggs, Molly Morin, Kristina Brown, Nicholas Tetreault, Adam Pelletier

1. OPEN MEETING: Meeting opened at 5 pm
2. BASKETBALL CHECK-IN- Money is still coming in slowly. The girl's game on the 31<sup>st</sup> has been corrected and they won't be playing back-to-back that day.
3. END OF YEAR AWARDS- Molly will get Kristina a list of sixth graders for Kristina to put order in cart and get approval.
4. BASEBALL AND SOFTBALL MEETING- There is a county meeting scheduled tomorrow at 7pm. Molly is unable to attend due to the selectboard meeting. Kristina will also be at the selectboard meeting at that time. Trevor and Dan have practice. It is informational. We have gotten enough responses to know we could host a tee-ball team. Eden and Hyde Park will need to combine for a softball team. Expectation is that registration is open by the end of the month.
5. BASEBALL AND SOFTBALL INVENTORY- One usable baseball catcher set. Bases look good. We will need balls. Helmets seem to be in good condition. The shed needs to be accessed to double-check for uniforms. The bleachers need to be taken down. We will circle back to Dylan about where those stand.
6. FUNDRAISERS: Bottle drive? Kristina will reach out to Andrew and see his availability for a dance in February and then will see if the date is available with Chris at ECS.
7. TOWN MEETING CONCESSIONS-Town meeting day is coming up on 3/3. Tracey has approved our use of the large coffee pot. Let's see if we can get donations from parents of doughnuts, cookies, cups, plates, napkins etc. Julie Morin will make doughnuts- and we are all looking forward to it! Abel Griggs and other children will be selling (and enjoying) the concessions at Town Meeting Day.
8. GUIDELINES FOR CODE OF CONDUCT- The Current Code of Conduct doesn't specify what happens if it is broken. The committee will agree on the wording to correct that. Coaches will address violations with the player, potentially with the player and parents, and have a signed code of conduct to document violations.
9. CHILDREN IN LOBBY- There can be no children in the lobby without a supervising adult. Molly will make a sign. Committee members and other volunteers/will enforce/remind when there.
10. OTHER- Committee will add an additional waiver into next year's paperwork for photos. Molly motioned to go into executive session due to a personal issue that

happened at the Hardwick game this weekend. Trevor seconded. Motion approved. Molly motioned to come out of executive session. Trevor seconded. Motion approved. No decisions were made.
