

Advisory Notice and Map

The Lake Eden Association and SOLitude Lake Management plan to conduct an aquatic herbicide treatment using **ProcellaCOR[®] EC** (active ingredient florpyrauxifen-benzyl) in Lake Eden as authorized under Aquatic Nuisance Control Permit #4475-ANC-C.

The target date/time for the treatment is:

Wednesday, June 17, 2026, beginning at 9:00 am

Signs will be posted around the shoreline, along adjacent roadways; the Eden Town Office; and at all public and private campgrounds and access points with the exact treatment date/time and updated use advisories.

Lake Water Advisory Use Recommendations

- NO USE of Lake Eden waters and water from the outlet stream FOR ANY PURPOSE on the day of treatment including boating, fishing, swimming, domestic (household) use, or irrigation.
- Swimming/wading, boating and fishing may resume 24 hours after completion of treatment.
- NO USE of water from Lake Eden and from the outlet stream FOR RESIDENTIAL AND OTHER NON-AGRICULTURAL IRRIGATION beginning the day of treatment and continuing until notification is provided that the active ingredient in SePRO ProcellaCOR[®] EC is at or below 2 parts per billion OR until after a 7-day waiting period has passed, whichever is longer. Established turf may be irrigated immediately after treatment.

The exact duration of the above recommendations on this Notice is subject to change. Please refer to the posted signs and the website listed below for up-to-date information regarding water use recommendations. Bottled water is available upon request by the Lake Eden Association (contact information below) to any person recommended from using its domestic water supply for drinking or food or drink preparation on the day of treatment only. IF A RESIDENCE OR PROPERTY IS LEASED, RENTED OR USED at any time after the initial treatment until December 31, 2026, the property owner is responsible for informing all tenants of the treatment and these advisory water use recommendations. Any person who chooses to ignore these use advisories does so at their own risk.

Please refer to www.solitudelakemanagement.com/vermont for additional information and updated water use advisories and recommendations.
