

Eden Youth Sports Committee Meeting Agenda

Monday, 7/27/2026 @5:00pm

Location: Town offices @ 71 Old Schoolhouse Road, Eden Mills, VT 05653

1. Open meeting- Meeting opened at 5:09
2. Approve Minutes 05/19/2026. Everyone had read the minutes. Molly made a motion to accept 5/19/26 minutes. Kristina Seconded, motion passed.
3. Fundraisers
 - a. Bottle Collection. There is bottle collection at the beach. Molly currently has 8 to 9 bags of bottles from there and will be taking them to Hardwick to return. Molly mentioned we could put one down at the snake and apple, that Anne had given her permission.
 - b. Other. Discussion on Bingo. Kristina said that the equipment) mainly the screen showing the numbers and letters. More discussion on possibly using a projector. If we could get another barrel we can put it at the snake and apple. Trevor mentioned doing some food and we could put 'suggested donation'.
4. Shed clean out update- Molly has taken a bunch of trash out of there recently. Molly has concerns about the shed. The temperature fluctuation isn't good for a lot of the things in there. The floor is soft and we cannot get in the shed throughout the winter. Nick Tetreault has the basketball at his house because they were going missing at the school. Trevor mentioned that having one or two missing is to be expected. Molly thinks the best solution is to take them out at the end of basketball. Molly went with ricky to look at the shed and Ricky agreed that the floor was in rough shape. The discussion of a Connex box. Storing uniforms and other equipment there would make it easier to potentially store weather dependent things in the basement at the town. Molly said pricing was around 6k for a 20 footer.
5. Soccer
 - a. Uniform discussion. We only got five uniforms back. The EYSC must be uniforms this year. So far we have 22 signed up, we expect more will trickle in. Molly got two quotes back for uniforms. One from VT green printing. They are 19.50 a shirt,

not including short. Pumpkin Harbor is 18 a shirt (including numbers on back) Shorts run from 10-11 dollars. If we go with VT screen printing, their minimum is 48. Pumpkin harbor we could do 30. It will be around 30 per uniform. We estimate the total cost to be around 900 dollars. Kristina made a motion to ask the selectboard to spend 900 dollars to obtain soccer uniforms.

- b. Other Supplies. It will be around 120 dollars for 24 balls for the season and they typically get given to the kids at end of year. The paint will be about 44 dollars for the fields. Pennys will be around 45 dollars for 24 pennys. The pennys will have the numbers on the back on them. We are also running low on whistles, they are 10 dollars for 24 of them. Molly needs to check what shirt sizes we have left for tee-ball. Discussion about giving the shirts at the end of the season, Kristina would like to save the money and mentioned possibly giving those little medals instead. We will know more after we count how many we currently have. 218.45 for paint, balls, whistles and pennys. Kristina made a motion to expend the 250 to spend on above mentioned items. Michauds septic is 290 for September until the end of October this also includes the delivery fee. Taplins is 145 a month making both quotes the same. Trevor made a motion to go with Michauds, Molly seconded, motion carried.
 - c. Field Set up date.
 - d. Other- Soccer Coaching- Nick Tetreault has offered to coach the little kids team. Adam said he would think about coaching the older kids. We have not heard back. The future of EYSC is going to need more people. It will not be sustainable otherwise. We will all continue to try and recruit.
6. Adjourn. Kristina made a motion to adjourn at 6:10. Molly seconded, motion carried.
