WINTER PARKING BAN

This ban goes into effect November 15, 2026 and continues through April 15, 2027.

Vehicles shall not be left on Town highways, in the Town right-of-way, or in Town turn-arounds during the period of the Winter Parking Ban. Vehicles in violation of the Winter Parking Ban will be towed at the owner's expense. (23 V.S.A. 1102)

Property within the road right-of-way (24'9" from road center in each direction) is in danger of damage during snowplowing season. Fences or barriers within this right-of-way will be the responsibility of the landowner. Trees or brush within the right-of-way interfering with snow removal operations will be cut and removed.

Residential and commercial snow removal operators will not be allowed to move snow from driveways or side roads into or across Town road right-of-ways. (23 V.S.A. 1126a)

The Eden Highway Department requests that residents keep mailboxes, trash and recycling containers out of the Town Right of Way to allow plowing and other regular road maintenance.

Residents will have access to the Town sand pile for in-Town use only – not for resale.

Your cooperation with the above requests will be appreciated.
